

Dear Friend,

We at Boxer Rescue LA (BRLA) know that not everyone can adopt or foster a Boxer, but there are other ways to help. BRLA will be hosting the 3<sup>rd</sup> annual **Woof & Wine** fundraiser on October 11<sup>th</sup> at Yamashiro Restaurant in Hollywood and we need your support.

In order to continue providing our scope of services to over 100 Boxers daily, BRLA relies on volunteers and most importantly – monetary support. **Woof & Wine** typically garners over \$20,000 for our Boxers and about 200 people attend. This year we hope to double our efforts, which is where you come in.

There are a variety of ways in which you can participate:

- Woof & Wine Event Corporate Sponsor
- Donate wine for the event
- Donate silent auction items
- Attend the event
- All of the above!

**Woof & Wine 2000** : Sunday, October 11th at 5pm at the landmark restaurant Yamashiro in Hollywood. The event features wine tasting, hors d'oeuvres, a silent auction, live music, special celebrity guest, Yamashiro's million dollar views and more.

BRLA is a non-profit, volunteer based organization that has been saving the lives of homeless Boxers since 1977. Last year BRLA placed **839** Boxers in permanent homes and treated hundreds of cases of broken bones, kennel cough, cancer traumas, tumors, mange, rare diseases and of course, endless spays and neuters. In addition to all this, BRLA provides food, shelter and love to more than 100 Boxers until homes are found.

BRLA and the Boxers thank you in advance for your compassion and generosity because after all – lives are depending on us.
